## **1.0 BACKGROUND OF MALAYSIA AIRLINES BERHAD**

Malaysia Airlines Berhad, commonly known as Malaysia Airlines or MAS, is the flag carrier airline of Malaysia. It has a rich history dating back to 1947 when it was established as Malayan Airways Limited. Over the years, the airline has grown and evolved, becoming a symbol of national pride and a prominent player in the global aviation industry. Malaysia Airlines has its headquarters in Kuala Lumpur International Airport (KLIA). The airline operates an extensive network of domestic and international flights, connecting Malaysia to destinations across Asia, Europe, the Americas, Africa, and Australia. It has consistently aimed to provide quality service, comfortable travel experiences, and seamless connectivity to its passengers.

As the national carrier, Malaysia Airlines plays a crucial role in promoting tourism and trade for Malaysia. The airline has been recognized for its commitment to excellence and has received numerous awards, including the prestigious Skytrax 5-Star Airline rating. This recognition is a testament to its dedication to customer satisfaction, operational efficiency, and safety. Malaysia Airlines owns a diverse fleet of modern aircraft, including the Boeing 737, Airbus A330, and Airbus A350. With a focus on passenger comfort, the airline offers various travel classes, ranging from Economy to Business and First Class. Passengers can enjoy a range of amenities and services, including in-flight entertainment, spacious seating, and delectable dining options.

The company has faced challenges in recent years, notably the tragic incidents involving flight MH370 and MH17, which brought immense sadness and loss to the airline and the global community. However, Malaysia Airlines has shown resilience and determination in overcoming these hardships, prioritising safety, and enhancing operational procedures to regain passengers' trust.

Malaysia Airlines continues to strive for excellence in the aviation industry, with a vision to be the preferred airline connecting the world to Malaysia and beyond. With a strong commitment to safety, customer satisfaction, and innovation, it aims to provide seamless and memorable travel experiences for its passengers, reflecting the warmth and hospitality of Malaysia.

## INSURANCE

The image shows a mobile application interface for searching insurance quotes. It features a navigation bar at the top with icons for home, search, and account. Below the bar, there are two main sections: 'Single Trip Plans' and 'Annual Multi-Trip Plans'. The 'Single Trip Plans' section is selected. To the right, there are fields for 'Destination Country' (with a dropdown menu), 'Departure Date' (dd/mm/yyyy), and 'Return Date' (dd/mm/yyyy). Below these are fields for 'Age of Travellers' (with three input boxes) and a 'Promo Code' field. A prominent blue button labeled 'GET A QUOTE' is located on the right side.
